

## #2—WHAT'S THAT STATE?

My friend WORDBIRD typed the names of ten states of the United States and then, starting with the first letter, erased every other letter. Can you figure out all the states without looking at a list of states or peeking at the answers? Some are harder than others.

Here's an example:

EMN

The answer is Vermont.

- |          |          |
|----------|----------|
| 1. ONCIU | 6. OAOO  |
| 2. KAOA  | 7. OIIN  |
| 3. AHNTN | 8. ERI   |
| 4. IHGN  | 9. ETCY  |
| 5. ENSE  | 10. ERSA |
